Surrey, BC V4N 0E8
Canada
Attn: Michelle Ticas

Note that comments will be considered only if they are received not later than 30 days after the publication of this notice.

Transport Canada (TC) will not make your comments on a project available to the public on the online public registry. However, any information related to a work is considered as unclassified public record and could be accessible upon legal request. As such, the information and records provided should not contain confidential or sensitive information. If you want to provide confidential or sensitive information that you think should not be made public, please contact Transport Canada before submitting it.
